

Massive Open Online Course (MOOC) enhanced by facilitated discussions at EducationUSA Hanoi

TOEFL Test Preparation: The Insider's Guide

June - July 2016 by Educational Testing Service (ETS)

This online course will give you a better understanding of how to get a top TOEFEL score. Instructors will guide you through: reading, listening, speaking and writing, give information about the format, time saving strategies and types of questions you can expect by using archived past questions. You will receive valuable advice, including how to register for the test, how it is scored and how best to prepare.

* Three steps to join our MOOC facilitated discussions:

Step 1: Register for the Online Course at https://goo.gl/PliVx0

DISCUSSIONS

Step 2: Join the facilitated discussions led by experienced **English instructors**
